Exchanges

Return/Exchange Policy

Nimbly's first priority is to make your online shop-keeping a breeze. That's why we accept returns and exchanges on dancewear, and exchanges on costumes.

Returns and exchanges must be requested by consumer within 30 days of order shipment through our online Return Merchandise Authorization (RMA) form. Consumers can initiate an RMA through the Order History section of their account.

- 1. Items being sent back must be in new condition with intact original packaging.
- Returned items must ship in a cardboard shipping box. Shoe boxes must be packed inside a shipping box or we cannot accept the product back.
- 3. If an exchange is being made, consumer will select a substitute product at the time of filling out the request and the transaction will be processed as a new order. Exchanges are processed as new orders, and refunds will be given after the returned item is received back.
- 4. All refunds for returns and exchanges are for merchandise purchase price only. The credit card used to place the order will be credited within 15-20 business days of receipt of return/exchange to the shipping warehouse.
- 5. Consumers ship their return/exchange to the address provided with the RMA #.
